Dear Sirs:

Re: Scheduled Meeting – District of Sechelt and SCAF

When we started to review who could attend our SCAF August 13th meeting to draft an agenda and who would be able to commit to the September 10th combined meeting we found that summer visitors and holidays were causing attendance problems.

We cannot go ahead with the scheduled meeting and apologize for any inconvenience.

In September we will reconvene and make contact with you on this matter again after that.

May all of you have a good August “time off” too.

Yours truly
