Mayor Darren Inkster and Council,  
District of Sechelt, 5795 Cowrie Street  
Sechelt, B.C. V0N 3A3

April 29, 2009

Dear Mayor and Council,

On behalf of the member associations we are expressing our thanks to you and Council for attending the recent DoS/G8 meeting held April 07 in the community meeting room. We also appreciate the presence of Rob Bremner who is attending to lend his staff support as a resource person.

The G8 feel that these joint meetings are vital to the continued progression of improving conditions throughout the communities within the District of Sechelt. We both share a desire to enhance our resident's wellbeing.

Many previous meetings involved discussing community issues and concerns with Council and then receiving Council's thoughts and positions on these issues and concerns. This meeting lacked output from Council. More feedback from the Mayor and Council would better help us understand the thoughts and views of Council.

The tone of the meeting was positive and, the new culture of Council should benefit all the residents' within the District of Sechelt. We look forward to the next meeting and suggest July or August. Let us know what works best for you.

Sincerely,

Douglas Smith, Chair  
G8 Sechelt Community Association Forum
